Re: Freedom of Information Act Request for NETC and NATTC

Dear NETC FOIA Coordinator:

This is a Freedom of Information Act request submitted pursuant to 5 U.S.C. §552, 32 CFR §701 and SECNAVINST 5720.42F regarding records and documents at Naval Education and Training Command and Naval Air Technical Training Center (NATTC) located at NAS Pensacola. A copy of the following documents are requested:

1. All correspondence, documents, memoranda, writings, emails, notices, notes, posters, talking points, videos, or publications from January 1, 2015 through September 30, 2018 that use the words "Harris Jewelry" or in any way refer to jewelry stores operated in Pensacola.
2. All correspondence, documents, memoranda, writings, emails, notices, notes, posters, talking points, videos or publications from January 1, 2015 through September 30, 2018 originating from Captain Maxine Goodridge, Captain Hugh Rankin, Commander Scott Sherman, Commander Anthony Myers, or Command Master Chief Israel Pedregon of NATTC, or sent to or possessed by any of those persons, that discuss or advise any service member that any jewelry store anywhere is off-limits, blacklisted or is in any way to be avoided by service members.
3. All correspondence, documents, memoranda, writings, emails, notices, notes, posters, talking points, videos or publications from January 1, 2015 through September 30, 2018 originating from Captain Maxine Goodridge, Captain Hugh Rankin, Commander Scott Sherman, Commander Anthony Myers, or Command Master Chief Israel Pedregon of NATTC, or sent to or possessed by any of those persons, that require service members to be reprimanded, disciplined or written up for non-judicial punishment for entering a Harris Jewelry location, shopping at Harris Jewelry or talking to Harris Jewelry employees.

4. All correspondence, documents, memoranda, writings, emails, notices, notes, posters, talking points, videos or publications from January 1, 2015 through September 30, 2018 (not including names or personal identification of service members) that in any way regard service members referred to non-judicial punishment or awarded non-judicial punishment where one or more of the charges include entering, or shopping at a jewelry store, or talking to the employees of a jewelry store in disobedience or disregard of an order or directive.
5. All correspondence, documents, memoranda, writings, emails, notices, notes, posters, talking points, videos or publications from January 1, 2015 through September 30, 2018 that instruct tenant schools, classes, class instructors or administrators that service members be advised, either orally or by notice, poster or electronic message board of any type that any jewelry store anywhere is off-limits, blacklisted or is in any way to be avoided.
6. All correspondence, documents, memoranda, writings, emails, notices, notes, posters, talking points, videos or publications from January 1, 2015 through September 30, 2018 that provide information to the leadership of NAS Pensacola that Harris Jewelry should be referred to the local or any Armed Forces Disciplinary Control Board (as provided in 32 CFR §631) or suggest or discuss with NAS Pensacola leadership that Harris Jewelry be blacklisted or placed off-limits to service members.

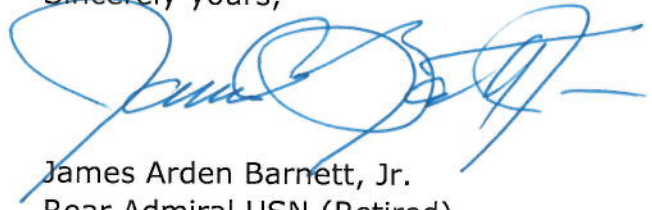

This request has been carefully crafted to avoid any personnel information or other records that are exempt from the Freedom of Information Act, and the requests are narrow in scope and timeframe. In the event the Navy claims that any of the information requested in this letter is exempt under a legitimate FOIA exemption, I request that a Vaughn Index be created that identifies the document or information withheld, states the statutory exemption claimed and explain how the disclosure would damage the interests protected by the exemption.

This FOIA request is being made in conjunction with a request to the Naval Air Station Pensacola, via the FOIA coordinator for the Commander, Navy Region Southeast, in Jacksonville, Florida on the same subject matter.
